

Comparison of the Crime Figures published on www.police.uk for February 2019 show a reduction of 2 reported crimes from the January figures for the SGRA area; that is from 21 to 19, although the total number of crimes reported in Southfields Ward increased from 121 (Jan) to 127 (Feb).

There has been a considerable increase in vehicle crime across Southfields Ward in February from 13 (Jan) to 31 (Feb) and sadly this is also reflected in the figures for the SGRA area with vehicle crime increasing from 2 to 9. It is worth noting that the vehicle crime category includes both theft from a motor vehicle as well as theft of a motor vehicle with both two and four wheel vehicles included.

Also it is worth noting that not one of the roads in the SGRA area has more than 4 reported crimes this month and apart from the 9 vehicle crimes the other 10 crimes are all in the ones and twos.

Shown below is a breakdown of the reported crime figures in the SGRA area by road and offence along with figures showing the total number of crimes reported to the police for the whole of Southfields Ward.

Please note that the SGRA area covers only that part of Southfields Ward from Pirbright Road in the North to Revelstoke Road in the South and from the Railway line in the West to Merton Road in the East. Southfields Underground Station and the southern part of Wimbledon Park Road are in West Hill Ward. The area to the south of Revelstoke Road is in the Wimbledon Park Ward of the London Borough of Merton
