

Crime figures published on [www.police.uk](http://www.police.uk) for May 2019 show an increase both in crimes reported in the SGRA area and also in the whole of Southfields Ward. In the Ward crimes have risen from 101 (Apr) to 133 (May) and in our area crimes have gone up from 20 in April to 28 in May. This is the second month running that we have had an increase in crime in our area.

The increases in themselves are quite small Vehicle Crime up by 2, Violent Offences up by 3, Other Theft up by 5, Public Order up by 1

But on the other hand Burglary went down by 2, Anti-Social Behaviour down 2, but once again no road in the SGRA has had more than 6 reported crimes this month. There were also 6 Stop and searches in Merton Road for Offensive Weapons

Now we are heading for hot weather, hopefully, don't leave windows and doors open or unlocked overnight and especially when premises are unattended.

Shown below is a breakdown of the reported crime figures in the SGRA area by road and offence along with figures showing the total number of crimes reported to the police for the whole of Southfields Ward.

Please note that the SGRA area covers only that part of Southfields Ward from Pirbright Road in the North to Revelstoke Road in the South and from the Railway line in the West to Merton Road in the East. Southfields Underground Station and the southern part of Wimbledon Park Road are in West Hill Ward. The area to the south of Revelstoke Road is in the Wimbledon Park Ward of the London Borough of Merton
