

February 2020 brought another reduction in reported crime in the SGRA area from 30 in January to 20 in February. Crimes reported in the whole of Southfields Ward also dropped month on month from 144 (Jan) to 126 (Feb).

This month no roads in our area had more than four reported crimes (Replingham Road & Hanford Close). All other roads were two or less except Elborough Street with three.

Turning to types of offences, there was only one category with more than two offences, the exception inevitably being vehicle crime though with eleven offences was down three from January's total of fourteen.

For more information please look at the detailed figures on the SGRA website.

In these unsettling times of this new weird world in which we now find ourselves please try and remember that scammers will still try and catch us off-guard on phone and email, thieves will still try to nick parcels left by couriers outside our front doors, and do remember to ensure that motor vehicles which may not be in use as much as normal are securely locked and all items visible inside them are removed to a secure place.

But, above all everyone, Stay Safe.
