

Regrettably, but not surprisingly, the second full month of 'lockdown' brought another increase of reported crimes to both Southfields Ward and to the SGRA area.

Crime in the ward rose from 159 in April to 172 in May 2020 and total crimes in the SGRA area rose from 30 in April to 46 for the month of May. But, like April a substantial number of these were anti-social behaviour up three in May to 19 from April's total of 16. The other major increase this month was Violence and Sexual Offences, which unfortunately was up from three in April to fourteen in May. Although vehicle crime was up two from four to six and five other thefts were recorded all other types of crime were recorded in ones or zeros.

Looking at the individual roads of the SGRA area no road had more than nine reported crimes. Those were Replingham where eight reported offences were ASBs with one vehicle crime and Pirbright with four ASBs and five violence and sexual. Apart from Brookwood with seven offences all the other roads had five or less reported crimes
