

RESTART SOUTHFIELDS

Saturday 21st January 12-3pm
St Barnabas Church, Southfields
(Merton Road entrance)

- Small household items (electrical/non-electrical)
- phones, tablets, computers - electronics - clothes -

Bring an item for repair with one of our volunteer restarters, get involved yourself and stop your stuff ending up as landfill.
Come and meet us and find out more!

New repairers and volunteers welcome

restartsouthfields@gmail.com

Repairs are free but please donate to help us cover costs

Toby Costin, from Crew Energy, will be on hand to answer any enquiries about energy efficiency or renewables
CREW Energy - Clean energy - Community power

Disclaimer: We're happy to help you learn how to repair. We are not repair professionals, and Restart Parties are a community self-repair space. Attending means that you take responsibility for your own gadget. Please back up your data.
